

## 2019 HIGHLAND DIVIDE PINOT NOIR

Full of pedigree and unmistakable DuMOL signature, this bottling is 100% Estate-grown Pinot Noir.

### IMPRESSIONS

Our 2019 Highland Divide Pinot Noir is 100% estate-grown Pinot assembled from our three contiguous high-density plantings in the hills of west Sonoma County, where the ridgeline heads toward the coastal hamlet of Occidental. The wine comprises some of the finest grapes we grow each year, blended from the barrels declassified from both Finn and Estate, and then from select privileged east-facing parcels on shallow soil in this trio of vineyards. Full of pedigree and unmistakable DuMOL signature, it offers an approachability that favors earlier enjoyment than our more structured wines—an Estate-quality wine that's perfectly suited to drink on a Tuesday evening.

The wine's aromas offer a full spectrum of red to black fruits—supple and lively, sleek, pure, and focused—with a complex edge of woody spice, sweet thyme, and anise. The palate beautifully balances intense crunchy fruits (a sense of tiny tart wild berries) with broader, generous black cherry richness. Warm spices arise as the wine's silky, lacy texture gives way to fresh liling acidity, the finish pure and long.

Drink between summer 2021 and 2028.
