2018 FINN PINOT NOIR

97 POINTS Roasted blackberries and crushed red cherries segue to mushroom, fragrant earth, blue flowers and tangerine. The medium-bodied palate sheds its broody, earthy top notes for fuller, lush fruits accented by bright pops of amaro. It's finely grained, addictingly fresh, and it finishes very long and layered. ... Incredibly delicious straight out of the gate.

Wow!

2018 JENTOFT VINEYARD RYAN PINOT NOIR

96 POINTS Another incredible cuvée from Dumol this vintage. ... It opens savory with scorched earth, prosciutto, wet leaves and dried herbs over a core of lush black berry fruit. Medium-bodied, it explodes in the mouth, offering bursts of juicy, perfumed, bitters-laced fruits, very finely grained and finishing long and layered.

2018 RITCHIE VINEYARD CHLOE CHARDONNAY

95 POINTS A gorgeous wine, offering youthfully shy hints of tangerine, hazelnuts, flint and honey-oat character. The palate is medium-bodied, silky, concentrated and expansive with dynamic acidity to lift the rich fruit, lingering in the mouth for a very long finish. It will benefit from another three to five years in bottle and should be very long lived.

2018 DUMOL ESTATE VINEYARD CHARDONNAY

95 POINTS Youthfully shy, offering soft hints of quince paste, roasted almonds, saline and white blossoms. In the mouth, it's medium-bodied, tangy and mineral-driven with savory notes hinting at more to come with time in bottle, and it finishes long and lifted.

2018 CHARLES HEINTZ VINEYARD ISOBEL CHARDONNAY

94+ POINTS Although the nose is youthfully tight, the petrichor and flint aromas open to lemon drop and tropical hints, and the palate, which is tight, linear and bright, hints at more savory layers to come, finishing lifted and ethereal. This vintage has loads of personality and should be very long lived.

2018 LORENZO VINEYARD CHARDONNAY

93 POINTS Soft scents of apricot, flint, toast and white blossom, with a medium-bodied palate that expands, unexpectedly, to silky, savory layers, with seamless freshness and a long, nuanced finish. What a gorgeous, lifted expression from this 44-year-old vineyard.

2018 HIGHLAND DIVIDE CHARDONNAY

93 POINTS Bright scents of lemon peel and crushed stone over a core of quince paste, dried hay and honeycomb. The palate is medium-bodied and swells with savory, toasty flavor layers, with an uplifted, fresh frame and long finish.

2018 WILD MOUNTAINSIDE VIOGNIER

93 POINTS A beautiful wine scented of warm peaches, honeysuckle and baker's yeast with musky wafts and undertones of beeswax. The medium to full-bodied palate has great fruit with well-managed ripeness, loads of perfume and a long, textured finish. This is the Goldilocks of Viognier—not too rich, not too lean—and the best Viognier I've tasted from Dumol.

2018 WILD MOUNTAINSIDE SYRAH

94 POINTS Gorgeous aromas of smoked meats, crushed blackcurrants, mint leaves, bitter chocolate, violet and blueberries. Medium to full-bodied, it's well managed in the mouth, restrained but deeply flavored, with a fine, grainy frame and fresh, uplifted finish.
